Happy New Year and welcome back!

Our apologies for the brevity and late arrival of this newsletter—hopefully services will be back to normal next week.

I can only apologise to you all about the disruption that the inclement weather has caused over the last two weeks!

Our Chair of Governors, Robin Vicary has written to the local authority about the disruption caused by school transport and the effect it has had on pupils and their families. We will let you know their response.

I would like to thank all of my staff who have managed to get into work despite the snow and to all of you who were able to bring and collect your children this week.

We do currently have a vacancy for a parent governor and if anyone is interested in becoming a governor please could you return the nomination forms that were sent at the beginning of this term as soon as possible.  
Thank you

I would also like to remind you that the INSET day that was originally scheduled for the 4th January 2010 was changed to the 25th January as that was the only date that Professor Rita Jordan, an international speaker on Autism was available to lead our training.  
School will therefore be closed to pupils on the 25th January 2010.

We currently have some vacancies for our Wednesday night youth club (3.30– 5.00pm) If you would like more details please telephone the school and speak to either Sally or Michele.

Lynda Walker  
Headteacher
