Up, Up and Away!

We all had a wonderful time in Mallorca. Thank you to all the staff who made it possible, ESPECIALLY Miss Adams. It was the first time some of us had been abroad.

S3 and the colourscape experience!

This week S8 have finished their ASDAN Transition Challenge Curriculum. We looked at each others folder and signed our books. We are extremely proud of all our work and the folders look fantastic. We also started our dancing sessions on Wednesday which is jolly good fun.

S6 have been getting into the World Cup this week. We have been practicing our football skills, working out how much money the England football teams spends and writing some great poetry.

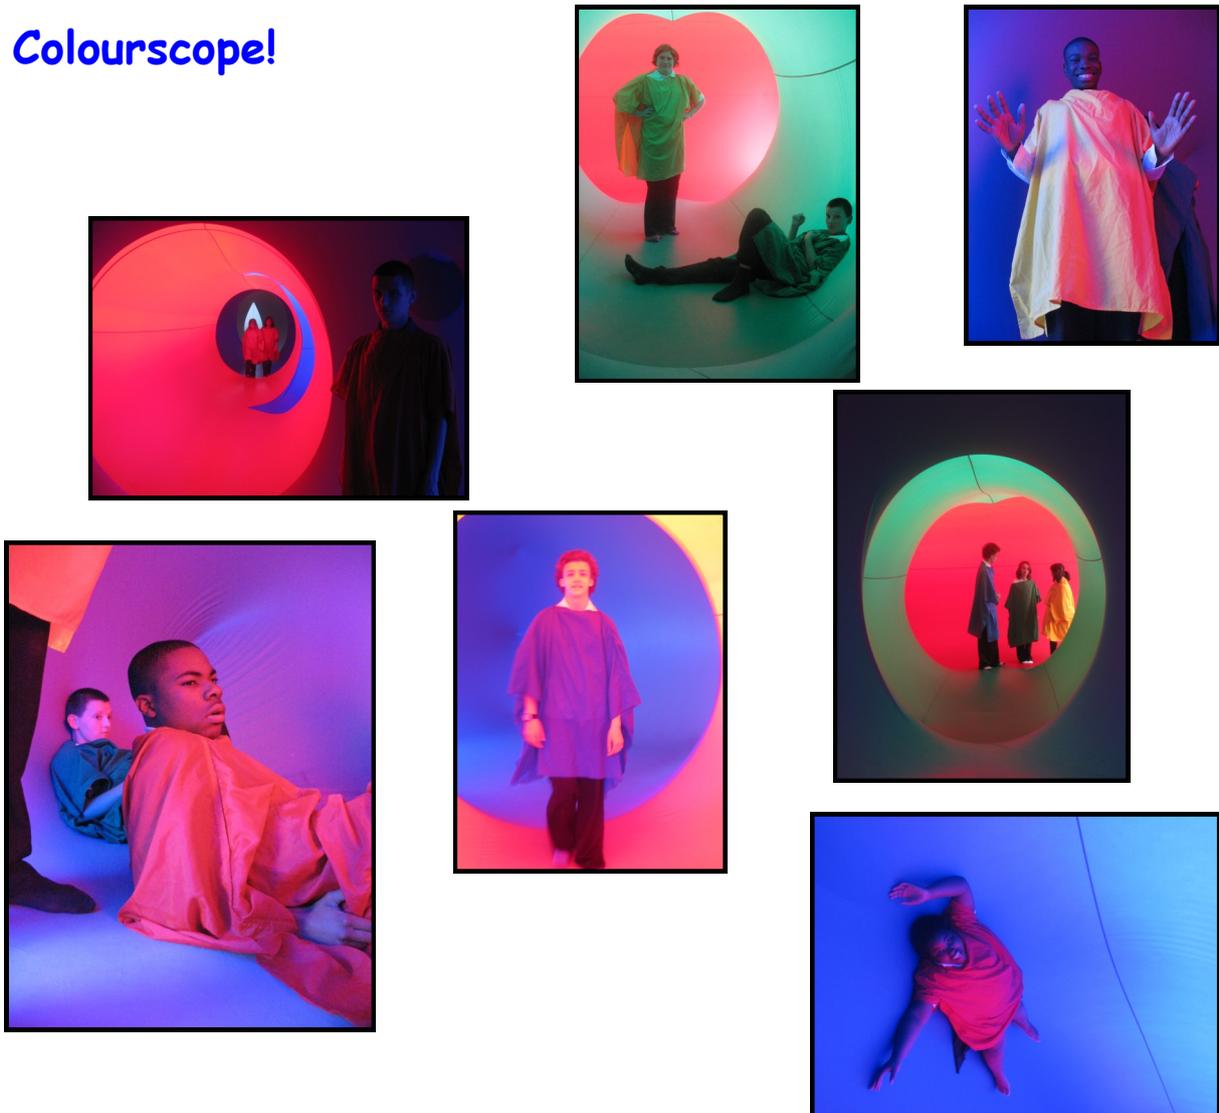

L5 went to the library. We have done some reading about a car.
By Naomi.

L1 went to Avenue House and we learnt about strangers and police, and what happens on the buses. I also went to a swimming competition with Mr Licudi and some of the other students in my class. By Jolene

This week L2 foiled a robbery plot, escaped a burning building and called for the police when a stranger tried to trick them in a park. But don't worry! L2 haven't turned into Finchley's answer to Charlie's Angels: the day was all part of a Barnet Junior Citizens event which saw pupils meeting representatives from London's police, fire, ambulance and transport services. The class had to give a description of a suspect, identify fire safety risks and be safe when someone's belongings fell on the train tracks. Elliott even made a very important 999 call to the Fire Brigade, when a plug socket made a bang and started pouring out smoke!

Donations needed

The Barnet branch of the National Autistic Society is going to be at the East Barnet Festival on 4th, July. They will be running a marquee to raise awareness of Autism and to offer support and signposting to those who are affected by Autism. There will be fun activities like mask making, a lucky dip and a tombola. Donations for the tombola would be gratefully received. Please send in any items you may want to contribute to the school, who will pass them on to the NAS.
