Shakespeare at Oak Lodge

Above, S2 and S3 classes joined together this week for a Macbeth performance. S2 read out descriptions of the paintings they made on the **atmosphere** of Macbeth whilst S3 became a **coven** of witches!

Below, I2 studied repeating patterns, colours and shapes through threading shapes and finger-painting while Sabrinah did a very good job of marking her peers' work in French.

Pattern-making, Peer-Marking and Finger-Painting fun.

From the Head Teacher

Hearts of Oak Quiz Night

A big thank you to those of you who were able to come along to the Hearts of Oak quiz last night. Congratulations to 'Gove Offs' who managed to get 23 out of 26 in the Alphabet Table round which pushed them into the lead!

Celebration of Achievement Evening

Our Celebration of Achievement Evening for our Post 16 students will be on Tuesday, December 14th at 7.00pm when we will be presenting the students with their school, ASDAN, Entry level and GCSE certificates. We will be holding a similar evening for the rest of the students in July.

Christmas Raffle Tickets

The annual Christmas raffle will begin soon. Tickets will be sent home next week for you to sell to family and friends. If you require more tickets, please contact the school and we will send you as many ticket books as you need.

Cheese Toastie Sale

P2 is planning a fundraiser event on Tuesday, 30th November, 2010. We will be making cheese toasties and selling them in morning and afternoon break times. One toastie will cost 50p. Come along and Enjoy!!!

From the classes.

This week, using their imaginations, L3 class have been measuring aircraft in the school grounds. They have decided that using millimetres and centimetres might not be the best unit of measurement to measure such a large object, so we have opted for metres instead! We have also been looking more deeply into journeys, going on one to the library and getting a feel for how a library works. Book-worms to be found.....perhaps.

S7 have been planning their end of year trip. They have decided they would like to take a boat trip down the River Thames to see the Christmas lights and to visit Barry at the Tower of London. He will give them a 'Christmas Tour' of the tower and share a cup of tea in the Royal Armouries Café. They have been working out the timings of the transport and how long it will take.

S5 have been working on a maths puzzle today.

As I was going to St Ives, I met a man with 7 wives.
Each wife had 7 sacks.
Each sack had 7 cats.
Each cat had 7 kits.
Kits, cats, sacks wives.
How many were going to St Ives?

Can you work it out? We got lots of different answers

Cut around the pieces to make a jigsaw.
