16th September, 2011

This week some of our students in the Sixth Form had the opportunity to go and learn fishing. Lots of fish and FUN!!! Here is the evidence – our medals and certificates.

S3 were lucky enough to be shown around the House of Parliament by the local MP Mike Freer. They learnt about the history of the building and asked some very mature questions along the way.

International School Award

We were delighted to hear at the beginning of this term that we have been awarded the International School Award by the British Council in recognition of the way in which the staff have worked to ensure there is a range of activities on offer to the students that celebrate different cultures and recognise diversity

We are still collecting donations for Mrs Dean who is retiring at the end of the month after 33 years at Oak Lodge. Donations can be made at the office. Thank you to all of those who have already given generously.
