Catering

KS4 cold presentation.

Students from across the key stage have been working on producing food for a cold presentation. The Wednesday group made Black Forest gateau and produced fantastic results as you can see from just two of their gateaux. All students in key stage 4 have worked really hard in their catering option and should be really pleased with how well their skills have developed.

From the Head Teacher

Maple Lodge

We are currently in negotiations with Barnet and Southgate College about starting up a joint provision in September 2013 with Mapledown for young people aged 19+. Adrian Ross will shortly be sending out a questionnaire, initially to parents of our 6th form students, to get their views which will help to inform our discussions with the Local Authority.

Chickenpox

A number of students have been absent because of Chicken pox. If your child develops an itchy blister type rash please see your GP just in case.

Head Lice

Unfortunately a number of children have also had head lice this week. We would be grateful if you could check your child's hair so that we can try to eradicate this problem.

Leading Parent Partnership Award

If any parent is interested in joining a small working party to help us achieve this award please contact the school office. Many thanks

Lynda Walker

Reminder

Friday 4th May is a staff training day. The school will be closed to students.

Students will return to school on Tuesday 8th May, after the bank holiday.

SPORTS RELIEF MILE

I have today sent cheques off for £435!!!!!! An absolutely incredible total - thank you to all of the students for completing the mile, and to all of their friends and family who have generously donated to the Sport Relief Charity.

From the Classes

Some of L3 Class has been struggling to get back into the rigours of the school routine and have been looking forward to home time when we can rest. On Monday we found out that we had some pet giant African snails and the whole class have taken to them. We found out that snails have their body parts in strange places. We think that one of the snails likes Alfie in particular.

In L5 we had P.E. with Mr Licudi and we went outside to ride the bicycles. It was hard because we found balancing difficult. Sasha fell over but was ok because she wasn't travelling fast and was wearing a helmet. In cooking we made Greek food and it was hot because we used lots of spices. We are happy to be back at school because we get to see friends.

This is the story of the Avengers they have super heroes and their names are Iron Man the Incredible Hulk the Mighty Thor and Captain America and they are here to save New York City and they have sidekicks Nick Fury, Black Widow and Hawkeye 6 Avengers and they are all have to save the world.

It's coming in cinemas April 26th I think it's going to be a good film
By Kamron Lynch

S5 are all working even harder this term as our Year 11's begin preparing for the exam period. All students are finishing off coursework, crossing their t's and dotting their i's in preparation for their final marking. Well done to all for the mature approach they are all taking to this.

STOP PRESS

New menu ideas for **Freshfields Cafe** Friday breaks

Ideas to include **Fruit smoothies**
Selection of freshly filled **rolls**
Home cooked **pizza** selection of toppings
Home made **vegetable hotpot**
Home cooked **sausage rolls**
Iced fruit Lollies

Produced by students and sold at very reasonable prices!
