## Oak Lodge School gets Artsmark Gold

To celebrate achieving Artsmark Gold the Art department had a messy paint week! We used corn starch, washing up liquid and shaving foam with paints. We also used our hands as paintbrushes!

The Barnet Schools Dance Festival was a huge success on Wednesday night. 15 students performed to Choo Choo Ch Boogie and got the loudest applause and cheering of the night. All of the students were so well behaved and their parents so pleased with their performances. Well done to you all, it has been a pleasure rehearsing and performing with you!

Mrs Dingwall, Mrs Boston, Mrs Ray, Miss Duffy and Mr Eardley

In preparation for their performance at the Royal Albert Hall, the Oak Lodge Choir rehearsed with three other schools at Akiva this week.

# P2 at Whipsnade Zoo

P2 had a workshop called 'Fur, Feathers and Scales' at Whipsnade Zoo. We met a real life snake! We had a fabulous sunny day for our tour of the Zoo. We saw the animals and the Beautiful setting of the Zoo in the surrounding countryside. We loved it and want to go back to see all the animals we did not have time to see!

On Tuesday we had a Tesco workshop. Marcie works for Tesco and told us about the jobs. Two girls called Clare and Lily they did a workshop. They were acting out being in a shop, filling in a job application form and they were acting out having a phone conversation. I was laughing away, it was really fun to do.
