Post 16

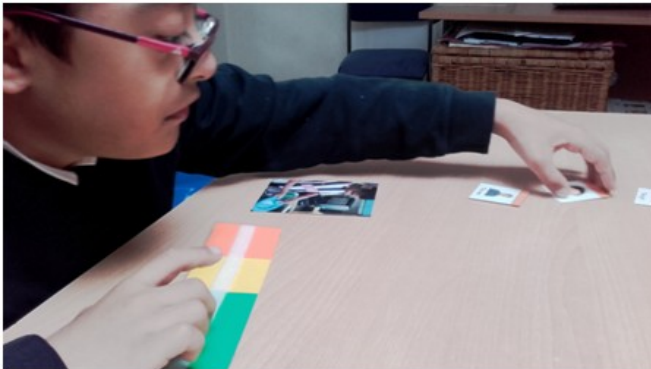

Volume 3
Issue 4

The Post 16 Art Option group have been busy this half term painting and decorating the most wonderful plant pots. We are hoping to have them ready for 'The Lodge' shop by Thursday the 25th May. They will be sold for around £5 and will make lovely presents. Well done to all students involved and thank you for your enthusiasm and hard work, you are all doing a fantastic job!

Class 5

Class 5 have been working hard on building sentences

Class 9 have been raising money for Hearts of Oak by selling popcorn at break-time. They made the containers, the popcorn and then sold them at break time.

Thank you for collecting Sainsbury's vouchers. The scheme has now finished, so if you have any vouchers at home could you please send them into school, so that they can be counted and we can order equipment.
