

2nd Annual Oak Lodge Autism Conference with International Speaker, Peter Vermeulen 23rd May 2016

PETER VERMEULEN, PHD
AUTISM AS
CONTEXT
BLINDNESS

Following our successful SCERTs conference in 2015, we are delighted to welcome Peter Vermeulen as our international speaker at this unique one day event focusing on Outcomes for people with Autism and Autism as Context Blindness.

Intended audience: School Leaders, Education and Social Care Service Managers and Commissioners, Teaching and Support Staff, SENCO's, Outreach Teams, Educational Psychologists and Mental Health Professionals working with people with Autism.

When: Monday 23rd May 2016, Registration: 8.30am Close: 3.30pm

Where: Tulip Suite, Allianz Park, Greenlands Lane, Hendon, [NW4 1RL](#)

Cost: £100 per delegate - Lunch and refreshments provided

Speaker Biography

Peter has an MSc and PhD in Psychology and Educational Sciences. He has worked with people with ASD and their families for more than 25 years. Peter is a co-director of Autisme Centraal, a ground breaking and highly regarded training and education centre for autism spectrum conditions. Peter is an internationally respected lecturer/trainer and he presents all over Europe and beyond. Peter has written more than 15 books and several articles on autism.

Agenda

8:30 - 9:00am	Registration
9:00 - 10:30am	What are the outcomes of autism in adult life? What are the criteria to measure the outcomes and what are the results of recent research? And based on these findings: is autism a disability? Double track approach in autism: changing the world to become more autism friendly and changing the person with autism to succeed as much as possible to fit in with that world.
11:00 - 12:30pm	The A in the alphabet of autism strategies: understanding Autistic thinking: autism as context blindness.
1:15 - 2:30pm	Autism friendliness: pushing the context button and using concrete communication and strategies that everyone can use.
2:30 - 3:00pm	Q & A Session
3.00 - 3.30pm	Networking Opportunity
